Please submit this letter of recommendation, only if you are accepted, on the date and time of your scheduled interview and presentation.

LETTER OF RECOMMENDATION

The Mission of the Tacony Prep is to enhance, support, and promote creative and critical thinking as well as the problem solving skills of school-age learners in the making of original inventions as amazing solutions to puzzling problems while mastering State and national standards. The aim of the school is to provide each Kindergarten through the twelfth grade student the opportunity to learn about the art of invention and applied science through a curriculum that emphasizes the creative process, critical thinking and inquiry as well as problem solving. Our students will be encouraged to think through problems, analyze, ask questions, and support their decisions both orally and in written form. The school provides a unique opportunity for all students to apply the inventive thought process or higher order thinking through all of the academic disciplines. Improving higher order thinking abilities will in turn ensure that students in grades K-12 will meet or exceed national standards in language arts (including writing), mathematics, science, and technology.

STUDENT'S NAME

First _____ Last _____

Birth date: ____ / ____ / ____ Current School _____ School District ID Number _____

To be completed by a counselor, teacher, or other school official.

Please provide a candid appraisal of the student.

RECOMMENDER'S NAME

First _____ Last _____

Title _____

School email address _____ School Phone Number (_____) _____

Your relationship to the applicant _____
